

# AUGUST 2018

## MeadowSweet Herbs & Flowers

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
		1 	2 	3	4	5 
6	7 	8	9 	10	11 	12
13 	14	15	16	17	18 	19
20	21	22	23	24 	25	26 
27	28 	29	30 	31		

Sow and plant root crops.

Prune, harvest, turn compost, weed, dig in fertiliser, cultivate soil.

Rest, and prepare. Odd jobs. Planning.

Fertile period in the garden for above-ground crops - sow, make cuttings, transplant.

Harvest, work soil and deal to weeds. Turn compost.

### SOW & GROW IN AUGUST:

**Vegetables:** artichokes & cardoon, beans, beetroot, cabbage, carrot, celeriac, celery, kohlrabi, lettuce, luffah, okra, onion, pea, radish, shallots, silverbeet, and spinach.
